July 15, 2019

Dear Parish Family Member,

I'm writing to call your attention to our urgent building infrastructure repair needs and ask for your help and generosity.

Our Stewardship Committee has graciously outlined each specific need and conducted parishioner meetings to address your questions and feedback. Now it's time to move ahead and start the work.

Over the next three years, the following building needs will have to be addressed:

Building	Roofing	HVAC	Masonry	Paving	Total
St. Maron's Church	\$215,026		\$16,633	\$94,500	\$326,159
Maronite Center	\$175,950	\$52,710	\$37,202	\$94,500	\$360,362
Total	\$390,976	\$52,710	\$53,835	\$189,000	\$686,521

Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.

Luke 6:38

In order to keep our Parish operating without interruption, we must rely on the generosity of our current family members, much as our founders dug deep to build these wonderful facilities we've all come to worship in and enjoy.

Honor our past, preserve our future

While our buildings may be showing some effects of wear and age, I'm confident our church's generous members will find it in their hearts to inject their energy and spirit into making them like-new again.

Please find enclosed a Donation/Pledge Form created to address these emergency repairs. We respectfully ask each Parish family to complete the form and return it to the St. Maron Church Stewardship Committee. Our goal is for 100% participation.

We thank you in advance for your continued support and generosity in maintaining the St. Maron tradition.

Sincerely,
