**THANK YOU!** Last weekend, our parish community opened its doors and welcomed the National MYO Board, which spent a week here in Youngstown preparing for and hosting the virtual 2021 National Maronite Youth Days! This was the first time since the pandemic that the Board members got together in person to host an event for our youth, and it was a huge success!

A very special thank you goes out to those parishioners who took much of their time and effort to support the team during their stay, from the many delicious meals to the logistical support of the event itself. These include: Fr Tony, Fr Jean Paul, Antonine Sisters, Deacon William, Rose, Marilyn, Mark, Matthew, Steven Moradian, Joe Calabria. Thank you all for showing the National MYO the true love, support and hospitality of the St. Maron Youngstown community! God Bless You!

## A MESSAGE FROM FR. TONY

My friends, I have been asked many times about fasting before Liturgy and chewing gum in Church. The answers to these questions are:

1. A person who is to receive the Most Holy Eucharist is to abstain for at least one hour before holy communion from any food and drink, except for only water and medicine.
2. Why is chewing gum frowned upon during Liturgy? First, it breaks the fast that we all should be making 1 hour before receiving Holy Communion. Second, if we are chewing gum and take Holy Communion and we have not disposed of the gum, then there is a high probability Communion could be combined with the gum. Unless we swallow the gum, when we want to dispose of the gum, there may still be particles of the Holy Communion mixed in with the gum and to throw it out is not giving proper respect to the Holy Communion. These are the reasons why we should not be chewing gum while in Liturgy.

**LEBANON FAMILIES** - We are accepting donations to help needy families in Lebanon. To date, we have sponsored more than 30 families. Thank you for your generosity!
