The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay."

Matthew 28:5-6

A MESSAGE FROM OUR PASTOR

"For the message about the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God." 1 Corinthians 18:31

When we look at the symbol of the cross, we as Christians view a symbol of our faith. I would argue, it is the most recognizable symbol in all the world. For us, we don't give a second thought of putting it around our necks, hanging crosses on the walls of our home or at work, marking our children with it, making the sign of the cross throughout the day on ourselves, we mark our food with it, especially *kibbee nayee* (raw *kibbee*) after making it, and some of us even have a tattoo of the cross on our bodies. It is our symbol that reminds us of our savior Jesus Christ, and also tells the world, who we belong to and who we believe in. For us who are being saved, it is the power of God.

The cross is also a very polarizing symbol. For those who do not believe in the cross and who and what it represents it is a stumbling block, as Saint Paul tells us. By the Scripture passage quoted above, those who are perishing see the cross as foolishness and many times look at us as Christians and say we are the foolish ones. Foolish for what? Following Jesus Christ who became one of us to show us the truth of God, the life God has promised us, and how to travel the way to be with God? The difficulty of the cross for the world is that the world cannot accept the belief that God would become human to show us what unconditional love truly looks like, because the world does not know how to give unconditional love. The cross is not only a bridge connecting God and humanity, but the symbol of a radical and extreme love that God has for His people. One of the reasons I think the world has a hard time accepting this free, radical, and extreme love is because we cannot imagine someone would love us so deeply, for many of us do not love or see ourselves the way God loves and sees us.

In our Maronite Liturgy, we have a prayer that sums this up so perfectly. "You have united, O Lord, your divinity with our humanity and our humanity with your divinity, your life with our mortality and our mortality with your life. You have assumed what is ours, and you have given us what is yours for the life and salvation of our souls. To you be glory forever." It is by the cross that Jesus delivers us from death, and it is through His resurrection we can know and see what lies ahead for us who are being saved. The Glorious Resurrection is the truth of the power of God. It is that Jesus, who was like us in all things but sin, loved us so much that He united his divinity with our humanity, not for His glory, but for our glory. To show us that as terrible, horrible, dark, and difficult the cross we carry may be, He is with us, and there is something more for us who are wise enough to see Him, and believe that if we unite our humanity with His divinity, that glory will be ours forever.

"For the message about the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God." 1 Corinthians 18:31
